Tour Design				Driver Skills (4x4)	
Scenic	XX	<b>Day 1/12: Gauteng to Kuruman</b>		<b>Day 8/12: Namib Day 5</b>	
Nature	X	This is along and hard drive to Red Sands in the Northern Cape. With the N14 via Potchefstroom, Klerksdorp and then Sweiser-Reneke and Vryburg		From Holsatia the trail leads to Conception Bay and along the beach northwards towards Sandwich Bay. On route the wrecks of the Eduard Bohlen & Shawnee are visited. Passing 'Langewand' where massive dunes end in the sea, given a very limited time span to negotiate this stretch of beach. After Langewand the trail once again leads into the dunes, circumnavigating the Salt Pans 'extensions' of Sandwich Harbour. The dunes are still getting progressively larger to offer an ever changing new experience of ultimate dune driving. The night is spend approximately 1.5km from the sea close to Sandwich Bay at URI Adventures' 'Sandwich camp'
